## B&M buys 51 Wilko stores as HMV waits

DISCOUNT chain B&M has agreed to buy dozens of shops from the collapsed retailer Wilko, as talks over a bigger rescue deal hang in the balance.

B&M said it will take on up to 51 of Wilko's 400 stores in a deal worth £13m.

Wilko fell into administration in August as it struggled with sharp losses and a cash shortage.

It is understood that a deal tabled by HMV's owner to buy up to 300 shops has stalled over funding issues.

Wilko was founded in 1930 and by the 1990s became one of Britain's biggest retailers.

But the discount chain has faced strong competition from rivals including B&M, Poundland, The Range and Home Bargains.

Wilko's stores remain open for now as it seeks a buyer for a bigger chunk of the estate, but more than 12,500 jobs were put at risk.

## Obesity drug firm is most valuable

THE maker of weight-loss drug Wegovy has become Europe's most valuable firm, dethroning French luxury conglomerate LVMH.

Shares rose after the Danish pharmaceutical giant, Novo Nordisk, launched the popular drug in the UK.

At the close of trading on Monday, the firm had a stock market valuation of £339 billion.

The drug is now available on the NHS in the UK and on the private market.

Wegovy is an obesity treatment that is taken once a week which tricks people into thinking that they are already full.

## Water firms illegally dump plop – claim

THREE major water companies illegally discharged sewage hundreds of times last year on days when it was not raining, a BBC investigation suggests.

The practice, known as “dry spilling”, is banned as it can lead to higher concentrations of sewage in waterways.

Thames, Wessex, and Southern Water appear to have collectively released sewage in dry spills for 3,500 hours in 2022, in breach of their permits.

Water UK, the industry body, said the spills “should be investigated”.

The BBC requested the same data from the other water

companies in England, which said they could not respond due to being under an Environment Agency criminal investigation.

Releasing sewage into rivers and seas is allowed in the UK to prevent pipe systems becoming overwhelmed, but it has to have been raining.

Without rainwater, sewage is likely to be less diluted, leading to build-ups of algae which produce toxins “that can be fatal to pets and pose a health risk to swimmers”, says Dr Linda May, a water ecologist at the UK Centre for Ecology and Hydrology.

Discharging in dry conditions is therefore illegal under

environmental law.

Collectively throughout 2022, Thames, Southern, and Wessex illegally started releasing sewage on dry days 388 times, research by the BBC's climate and data teams suggests, including during last summer when these regions were in drought.

There even appears to have been spills by all three firms on July 19, 2022, the hottest day on record, when temperatures topped 40C in some places and people tried to cool off in rivers.

Environment Secretary Theresa Coffey told BBC News: “It does seem extraordinary on

the hottest day of the year that there may be releases.

“The EA is the regulator – they are the people who do the detailed investigation of why that has happened.”

## Rishi stops wind farm rebellion

PRIME Minister Rishi Sunak has moved to stop a Tory rebellion over new onshore wind farms by making it easier for them to be approved.

New rules will change council planning requirements from unanimous agreement to simply demonstrating local support.

This follows an intervention by former ministers, including ex-PM Liz Truss, who felt progress was slow. The exact mechanism has yet to be agreed.

Sir Alok Sharma, former Cop26 president, said he wanted to see the “outdated” right of an individual to effectively veto a wind farm to be removed.

He said: “The current situation we have is that just one objection can prevent a wind farm from being built. That is not a community veto and not a sensible way for a planning system to operate.”

He added there should be a “direct linkage” between communities who accept onshore wind farms and them getting a direct benefit, like a discount on bills.

## Voting commission fails security test

THE Electoral Commission has confirmed it failed a basic cyber-security test around the same time hackers gained entry to the organisation.

A whistleblower told the BBC the Commission was given an automatic fail during a Cyber Essentials audit.

Last month the Commission revealed “hostile actors” accessed its emails and potentially the data of 40 million voters.

A spokesman said the Commission had still not passed the basic test.

In August, the election watchdog announced hackers broke into their IT systems in August 2021, and had access to sensitive data until they were discovered and removed in October 2022.

It has not yet been revealed who carried out the intrusion or how the commission was breached.

## North Korea tyrant to charge Russia an ‘eye-watering’ price for arms...

# KIM SCREWS PUTIN!

READY TO STRIKE A DEAL: Kim Jong-un (left) and Putin

**TUBBY tyrant Kim Jong-un will charge evil Vlad Putin an “eye-watering” price for “crap” arms when he visits Russia this month, experts say.**

At their meeting, the two leaders will discuss the possibility of North Korea providing Moscow with weapons to support its war in Ukraine, a US official claimed.

But with Russia desperate for weapons and fatso Kim desperate for cash, it's believed the North Korean despot will “screw President Putin up to the hinge end”.

Even worse for Russia, North Korean arms are notoriously SHIT, so Russian soldiers facing Western-armed

Ukraine could find themselves with a heap of JUNK.

But there are fears in the West that Vlad may give Kim advanced NUCLEAR tech, massively increasing the danger posed by the Hermit Nation.

Sources told the *New York Times* that Kim Jong-un was most likely to travel to Russia by armoured train.

The possible meeting comes after the White House said it had new information that arms negotiations between the two countries were “actively advancing”.

National Security Council spokesman John Kirby said Russia's Defence Minister, Sergei Shoigu, had tried to

“convince Pyongyang to sell artillery ammunition” to Russia during a recent visit to North Korea.

Weapons on display at the meeting included the Hwasong intercontinental ballistic missile – believed to be the country's first ICBM to use solid propellants.

It was the first time Kim had opened the country's doors to foreign guests since the COVID pandemic.

Mr Putin and Mr Kim have since exchanged letters “pledging to increase their bilateral co-operation”, he said.

“We urge the DPRK to cease its arms negotiations with Russia and abide by the public commitments that Pyongyang has made to not provide or sell arms to Russia,” Mr Kirby said, using an abbreviation for the North.

He warned the US would take action, including imposing sanctions, if North Korea did supply Russia with weapons.

Pyongyang knows Moscow is “desperate” for munitions and the price that North Korea will ask for them will be “eye-wateringly high”, he said.

While North Korea has stockpiles of weapons “they are in a very poor condition”, he added.

# BIRMINGHAM COUNCIL GOES BUST

BIRMINGHAM City Council has effectively filed for bankruptcy.

The council, which has been hit with a £1bn equal pay bill, had already announced a freeze on non-essential spending.

It has issued a Section 114 notice – an admission that it cannot manage its catastrophic financial crisis without help.

In a statement, the council – which is Labour

controlled – said: “Today's issuing of a Section 114 Notice is a necessary step as we seek to get our city back on a sound financial footing.”

It adds: “We will prioritise core services that our residents rely on, in line with our values of supporting the most vulnerable.”

A Section 114 notice is the equivalent of a white flag surrender that officers cannot see a way

out of the mess without support and intervention, usually a plea to the government for help.

Finance director Fiona Greenway revealed that external auditors have ruled its accounts for 2020-22 do not account for equal pay liability and are therefore not closed.

The council commissioned reviews in July to look into the root causes of its financial issues.

# PORN LEGEND JENNA: WOMEN ARE MY BIGGEST FANS

HEYDAY  
PAYDAY:  
Jenna raked

each DAY!

By SUZIE SHELDON [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**JENNA Jameson's favourite fan encounters are with women who thank her for making their time in the bedroom more fun.**

"It's just really cool when they're like, 'Listen, Jenna, you changed everything for me... I have a better sex life with my man,'" she said.

"Which is really cool - I'm a giver... I love that."

The blonde recalled a memorable moment in the Big Apple with a group of middle-aged ladies who stopped her for a photo.

"I take the picture. And as I go look over to all these ladies that are 50, they're flashing their boobs," she said, laughing. "I had no idea. I was just posing!"

Jameson, 49, the world's most famous porn star, is featured in a documentary *Secrets of Penthouse*.

The now-retired adult actress, who worked for *Penthouse* for 12 years, was fascinated with the men's mag from an early age.

"When I was young, probably 16, I used to sneak into my dad's closet and he had all kinds of mags, and my favourites were *Penthouse*," she said.

## Powerful

"I loved the way it portrayed women as being powerful and embodying sex - I really loved that."

*Playboy*, she explained, "was just not even an option" for her since she had already worked as a stripper, nude glamour model and adult actress.

"Back in the day, *Playboy* would never touch a girl that had stripped or done any kind of adult film," she said. "So I just kind of decided, 'OK, they're not going to touch me, I'm going to become the biggest porn star on the planet'."

By the time she was 19, her first shot was featured in *Penthouse* in 1994, and

RETIRED: Jenna

at 20 she was making six figures - daily!

"Oh, I mean, I would pull 100 grand a day," she said. "Money hand over fist, it was insane. I was renting Rolls-Royces. Everything that you would think being the most famous porn star would mean."

She was also famous for being the pickiest woman in porn.

"I had a list of about four to five guys I would be willing to work with," she said. "I never liked to work with men that would make passes at me. To me, this was acting. It was business."

"I don't want to date you. I don't want to go and have a drink afterwards."

Ready to potentially rival Amazon smash *Clarkson's Farm*, the presenter and her hunky husband will explore the world of farming, focusing on harvesting and trading olives.

The *One Big Happy* star teased fans on her social media page giving a sneak-peek of behind the scenes of the set, as she posed in olive groves (above).

The pop star, 28, opened up about her relationships on her weekly podcast and admitted she thinks couples need to be honest about what they need sexually for a relationship to work.

dating Romain Gavras, 42, said: "Not talking about sex with the person you are having sex with is a weird anomaly."

"It's important to normalise the conversation around sex and make it a topic that we can speak about more freely, so we can let go of the guilt and the shame that surrounds it."

"So much of what I read about relationships these days is about the 'roommate phase'

where you feel like you're living together but you're not romantically involved any more."

"What can you do to ensure interest in the relationship never dies?"

"Do we wreck relationships by trying to be even happier when we are plenty happy to begin with?"

Dua also discussed finding love and revealed what she believes the best way to start a relationship is.

She admitted she doesn't have any time for dating apps,

because they can take away the spontaneity of a new romance.

She said: "I've got so many friends on dating apps and sometimes it works."

"But the idea of meeting in the community, through friends, starting conversations and doing things that don't feel so clinical is probably the best way to go about it."

"The erasing of uncertainty feels a little bit unsexy."

"There is something about the unknown that is exciting - just going with the flow."

**Naomi: sex is great with no baby fear**

HOLLYWOOD star Naomi Watts has opened up about the "biggest key" behind having "pretty great sex" with her husband, Billy Crudup.

"I personally think sex becomes more pleasurable when you take out the fear of making babies," she said.

She then quipped: "What is that expression? 'Closed for business, open for pleasure?'"

Watts, 54, stressed that communication is crucial for keeping the flame alive in the bedroom, adding: "Like whatever it is you're going through, if you can talk to your partner, if you can be honest and have a really authentic conversation and take away the awkwardness, and most of the time if they're good people, they will be empathetic and that's hot."

The Oscar nominee also revealed when she first romantically connected with Crudup, 55, she used oestrogen patches in the bedroom.

Turkish scientists took readings of the rats' testicle size before and after exposing the animals to cigarette smoke and e-cig vapours, as well as identifying biomarkers of stress in the blood and genitals.

The sperm count of rats exposed to e-cigarette vapour was 95.1 million sperm per millilitre, compared to 98.5 million in the group who were not exposed to any nicotine.

But the rats exposed to cigarette smoke fared even worse – with the lowest count at 89 million sperm. Their testes also measured the smallest and weighed less than the rats exposed to e-cigarette vapour as well as the control group.

SHE was stuck abroad with her nippers when the air traffic control chaos forced her to extend her holiday.

Yet Christine McGuinness was back on home turf and wasted no time in snapping a stunning selfie as she posed in her bathroom – with her amazing busters front and centre!

Christine looked sensational as she flashed her cleavage.

The 35-year-old captioned the image: "Home is where the heart is."

A fan said: "I bet Paddy wishes he was back aboard that."

**A MAN who persuaded a woman into having sex with a dog in a barn, and invited other blokes to watch the depraved session, has been jailed for two years.**

At Gloucester Crown Court prosecutor Alun Williams said Timothy Atherton, 66, was arrested after the National Crime Agency received intelligence that indecent images were being uploaded to a social media site linked to him.

**By JOHN HAWKINS**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Armed with a warrant, police searched his then home in Lydney, Glocs, on January 6 last year and seized digital devices including two mobile phones and a laptop.

They found one of the devices was being used to upload encrypted messages and indecent images of a "vulnerable" woman having sex with a dog, along with other indecent images.

"There were 14 videos and 34 still images of the worst Category A, 12 videos and five images of Category B and 15 images of the least serious Category C which had been uploaded between August 22 and 31, 2021," said Mr Williams.

## Disturbing

"A forensic examination of the messages revealed Atherton was wholly engaged in the process with this imagery. He was not a passenger. There is evidence that he distributed indecent images for over a week.

"The most disturbing imaging and the messages connected with it relate to Atherton using a barn at a location in South Wales on February 24, 2021, where he enticed a vulnerable woman to have sex with a dog.

"He wasn't alone as he had invited like-minded individuals to join him in the building.

"Atherton took his own photographs of these sex sessions.

"He said in interview he was not interested in the extreme porn itself

as he said he was more interested in seeing the perverse actions of the adults with him. He maintained it was that which gave him sexual gratification.

"He was thinking he could swap the images on the website. The woman at the centre of these allegations has not made a statement."

Judge Rupert Lowe interjected and said that the couple did not seem to have a healthy relationship and added: "There is something pretty disturbing about their relationship. She is half his age and it appears that she had to call him 'Daddy' while Atherton called her 'Pig' or 'Piglet'. She was told what to do with the dog. She obeyed and did what she was told."

Atherton, now of Gloucester, admitted that between August 30, 2000 and September 11, 2021 he made indecent photographs.

He also pleaded guilty to possessing an extreme pornographic image of a woman having oral and penile sex with a dog, that he distributed indecent images, and aided, abetted, counselled and procured a woman to have sex with a dog and was reckless as to her being penetrated by the animal.

Atherton was also handed a sexual harm prevention order for 10 years and must register as a sex offender for the same period of time.

## China steals Loch Ness Monster... THE DIRTY COMMIE BASTARDS!

**NEW VIDEO  
EVIDENCE:  
Tourist took  
this in China**

**A TOURIST in China captured on video what she claims is a 50ft-long silver "monster" breaching the water surface of a lake long believed to be the home of a creature that has drawn comparisons to Nessie.**

And there are suspicions that the crafty Chinese Commies have **STOLEN** the Loch Ness Monster from her Highlands home and transported her to the Orient to boost tourism!

The tourist, Ms Li, from Shanghai, claimed she encountered the beast while visiting Lake Tianchi, which means "Heavenly Lake," in Xinjiang Region in northwestern China on August 31.

Ms Li said she was strolling along the lakeshore at around 4pm local time when she heard what sounded like fish splashing in the water.

She looked into the distance and saw a giant creature in the lake, 600ft away from her.

Mobile phone video shot by Li shows the still surface of the alpine lake being disturbed by something swimming underneath and causing waves and ripples.

After about 10 seconds, the ripples stopped and the lake returned to being just as serene as before, Li said.

**By BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"At first, I thought it might be several fish, but on closer inspection, it was one long, silver coloured creature," the tourist claimed.

The woman added that the unknown aquatic creature was moving in a regular pattern, and it was swimming quite fast.

Staff at the scenic area later responded to Li's monster claims,

saying that due to the unclear quality of the video and the lack of a precise description, they could not determine what the creature was.

Staff added similar sightings have been reported by tourists in the past, and it's been impossible to identify the species because of the distance.

Last night a source at Loch Ness raged: "If those dirty Commie bastards have stolen Nessie it's clear that the English are to blame."

## Cost of living kills Gen Z sex

The cost-of-living crisis is playing havoc with the sex lives of Brits in their twenties.

According to Bumble's 2023 Sex Index, 65% of single Gen Zers have reported their love lives are impacted by their living situations.

It's a phenomenon known as being "home-blocked," where your living situation affects – or perhaps even ruins – your sex life.

A 2022 study found that more Gen Zers live at home with their parents than any previous generation in history, with 54% of young people not leaving the nest.

The impact is pretty clear because Generation Z are now more likely to stay at home longer and more likely to go crawling back to their parents' house after living alone.

A CITY has been overrun with tramps who have destroyed a vacant motel and left a mountain of human shit on the streets.

Mayor Bruce Knell detailed the destructive behaviour of around 200 homeless people in Casper, Wyoming, who have been creating a mess throughout the streets and parks, as well as a closed motel where squatters caused millions in property damage.

"They destroyed everything," he said. "It's horrible."

Homeless people who squatted at the Econo Lodge motel caused more damage than the flooding that initially closed the business down, Knell said.

The property was condemned by the city and the bank that owns the foreclosed business boarded it up.

Meanwhile, city staff have scooped up 500lbs of human faeces in Casper's downtown, where the homeless loiter.

**PLEA DEAL:**  
Christopher Berrios (below) shot dead housemate

**A MAN killed and then dismembered his own roommate, then hid the body in a kitchen bin.**

Christopher Berrios, 57, coughed to the murder of Bernard Robledo, 46.

Court documents indicate the men shared an apartment Las Vegas.

Police records show that on September 4, 2021, a person called 911 saying they found a body inside a kitchen bin. The body was covered in spray foam used for insulation.

Cops learned Robledo's family had not heard from him for several days. Family members went to the home on September 4 to look for him and noticed an odour coming from the bin.

Police said Robledo had several limbs removed.

His cause of death was determined to be a gunshot wound to the head.

Investigators said they also found a notebook called *Henchman, the Christopher Berrios Story*, and the last page of the notebook included a list of actions including, "back of the head – drag him to the garage," "get rid of body," and "come back clean everything".

A truck at the property also contained a rubbish bag with several bloody items and a piece of bone, police said.

Cops in California took Berrios into custody

He agreed to plead guilty to second-degree murder with a deadly weapon charge. As part

of the deal, prosecutors will not pursue any drug-related charges.

Berrios faces a life sentence with the possibility of parole after 10 years, or a 25-year sentence with similar parole.

A judge will have the final say during sentencing.

A sentencing date will be set later.

## Man in court for ball biting

**A MAN** has appeared in court after biting a nightclub bouncer on the bollocks.

Gino Hearn, 19, appeared before the District Court in Ann Arbor, Michigan, on multiple charges.

If convicted, Hearn faces up to four years in prison for resisting arrest-causing injury to a police officer and a year for aggravated assault.

Officers were called to the Necto Nightclub after a report of an assault, as one of the club's staff was punched in the face by a person who was denied entry.

One employee was taken to hospital after being bitten in the genital area by the suspect.

## HOW DEER ARE YOUR TOFFEES?

**CUSTOMERS** at an old-fashioned sweet shop watched in amazement as a deer strolled in and started snaffling toffees before high-tailing it out.

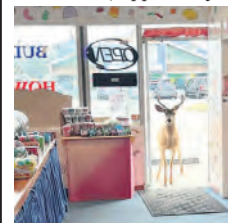

CCTV footage from Buddy and Howie's Candy Store, in Ocean Shores, Washington state, showed the antlered deer waiting in the doorway for a moment before deciding to step inside.

He was seen sniffing at the toffee display and then carefully walking around the aisles as stunned shoppers whipped out their phones to record the bizarre encounter.

The deer, apparently spooked, then ran back out the door.

"We had a special visitor come in and check out the candy," shop owner Jenn Strobel posted on the business's Facebook page. "He approves!"

She said the only damage the deer seemed to have done was maybe take a piece of butter popcorn toffee from the shop.

**SO FIA Vergara took a walk on the wild side for a recent red carpet appearance.**

The *Modern Family* star, 51, appeared in a head-turning zebra-print outfit on the red carpet at America's Got.

Sofia wore a black-and-white jumpsuit with a plunging neckline and silver accents on the waist, along with a pair of black and silver bangles on her arm.

The actress smiled and posed

for photos before joining Heidi Klum, Howie Mandel and Simon Cowell at the judges' table for the show, which was filmed at Hotel Dana in Pasadena, California.

Sofia's outfit was not made out of REAL zebra, as she's an animal lover.

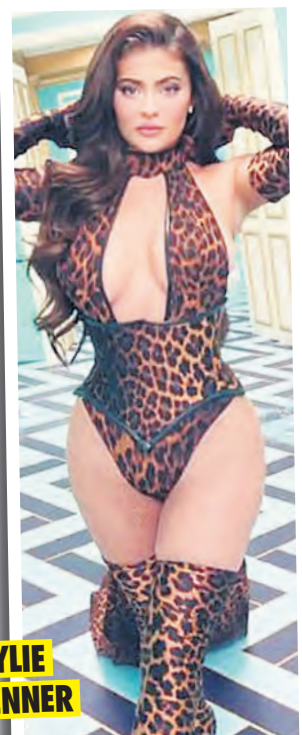

Here are some more beauties rocking the animal-print look...

FROM PRAGUE,  
CZECHIA**

**I HAVE a very naughty fantasy that centres around being used by multiple strangers at the same time.**

It's just fantasy – something that brings me to orgasm when I'm pleasuring myself.

I stumbled across some porn online that really turned me on and I really get off on imagining it's happening to me.

It was these naked girls in glory hole-type wooden booths, where their torsos were concealed and their bottom halves were outside the booths with their legs in stirrups. It was a brothel.

Blockes came in through a door then paid to have sex with a woman they couldn't see.

I love the concept of anonymous sex.

There are also babes offering blowjobs through holes and women who were positioned higher up with their pussies on display, ready to be licked.

I can't stop watching this type of porn... I so wish it was me! Especially having faceless strangers go down on me!

Perhaps there is some shady place abroad I may stumble into one day and give it a go...

## Grandad stabbed in face after row about a shower

A STINKY woman was nicked when she stabbed her granddad, after he asked her to have a WASH.

Police said a row escalated between Carrington Harris, 22, and her grandparents inside a Keithville, Louisiana, home after they asked her to take a shower.

Soon after, she began damaging property inside the house and turned off the power.

The couple tried to restrain Harris, who then escaped, grabbed a knife from the kitchen and stabbed her grandfather in the face.

The unnamed victim was taken to hospital for treatment.

Harris fled the scene after the incident and headed into nearby woods, but was found a few hours later hiding behind a property.

She was arrested on charges of domestic abuse battery and domestic abuse battery with a dangerous weapon, and is being held at the Caddo Correctional Centre.

## Man cut up pal with hacksaw

A MAN allegedly killed his roommate, whom he suspected of stealing mail, and kept his body in a basement for nearly two months before dismembering him with a hacksaw.

John Hallett, 48, was arrested in Cambridge, Massachusetts, for the 2017 murder of Paul Gonzales at their home in Michigan City, Indiana.

Hallett, an amputee, contacted Michigan City Police Detective Lt Anna Painter and admitted he used a crutch to clobber Gonzales from behind before strangling him on November 25, 2017.

Hallett allegedly dismembered and disembowelled the body, placing the parts in rubbish bags and dumping them in public waste bins around the city.

He is now awaiting extradition to Indiana in the Middlesex Jail & House of Correction on charges of murder and abuse of a corpse.

# Now SHAKESPEARE is racist, according to woke loons... IT GOES FROM BARD TO WORSE!

TRUSTING THE AUDIENCE: The Globe theatre

**A BOFFIN claims William Shakespeare's tragedy *Macbeth* is racist, as its characters mention BATS in the play!**

Kathryn Vomero Santos, an assistant professor of English at Trinity University in Texas, insists the Bard's use of words such as "bat", "beetle", "black" and "night" are all "racialised" language.

By ASHLEIGH NOLAN  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Santos blathers that the play's references to darkness are an attempt to reinforce ideas of "white supremacy".

The academic, who made her comments in an online lecture organised by The Globe in London as part of its Anti-Racist Shakespeare talks, also highlighted a scene where a character uses the phrase "black Macbeth".

She said: "I think that it's important to help our students see the ways in which a play we might not recognise immediately as a 'race play' is in fact relying on racialised language and playing on the dichotomy of whiteness and blackness and dark and light."

Playwright Migdalia Cruz, who has produced her own version of *Macbeth*, branded the Bard a "racist", pointing to the use of "Moor", "Turk" and "Jew" in the context of the witches' incantations.

She said: "A lot of people cut those things and I thought, 'I am not going to make him not a racist, he is a racist - but a racist of his time'. Everyone in his time were racists."

Other academics have dismissed the interpretations.

Frank Furedi, the emeritus professor of sociology at Kent University, said: "I

CLAIMS: Kathryn Santos

think all the comments suffer from the condition of what I call 'moral anachronism', which involves reading history backwards and then projecting on to the past the obsessions of the contemporary writer - in this case, with race and blackness."

Historian Jeremy Black, whose books include *England in the Age of Shakespeare*, added: "The idea of blackness as evil and the cover for crime draws on longstanding fears of the dark and should not be confused with racism."

Farah Karim-Cooper, The Globe's director of education, said: "We trust our audiences the way Shakespeare did - to judge for themselves."

## My, oh Maya!

MAYA Jama looked stunning as she posed for some fun and flirty Instagram snaps.

The *Love Island* presenter, 29, showed off her sexy cleavage when she put on a busty display in a series of pictures as she seemed to have a personal photo shoot in the back of a car.

The star pouted and flashed a cheesy grin in the snaps as she donned a stylish halter neck little back dress.

The snaps were in aid of a brand deal with Rimmel for the makeup brand's new London Thrill Seeker lip gloss.

A fan said: "I'd love to add my gloss to her lips. And by gloss, I mean spunk."

## JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

## Where are all the leaders?

LEADERS NOT INTO TEMPTATION: Tory boss Rishi Sunak (below) and his Labour counterpart Sir Keir Starmer

**JUST** down the road from my home is a public space with benches, bowling greens, and a building that was once toilets and a tea shop, but now isn't.

It also has some concrete tennis courts.

As of a few days ago, those courts were suddenly much nicer.

They are now painted in glorious blue and green and installed with new nets.

But I can't be the only person to have noticed that this has occurred at the arse end of summer.

Wimbledon, pretty much the only time of year most Brits think wistfully about swinging a racket, was months and almost a season ago.

**Tedious**

So the likelihood is, albeit with our tedious "Indian summer" which excites one-armed weather presenters but will last just days, those tennis courts will not be used at all until next year.

And as I live next to the sea, they won't look anything like as nice next year as they do now.

The thing is, as a young man back in 1995, I lived in a flat overlooking this exact same set of tennis courts and bowling greens.

Back then, I was embarking on what was first a brief TV career – which I was absolutely shit at – and then onto Fleet Street, where I was slightly less shit (*You reckon?! Ed*).

I moved from that flat to first a different house nearby, then down to London, then to Manchester, and even spent some time working abroad.

And now I'm back, a quarter of a century later, and what has changed? Almost nothing, apart from the colour of the tennis courts.

So, my local council, that has been sucking millions out of its residents for years in council tax, has bugger all to show for it.

They are useless.

Our borough's biggest town is still the same shithole it always has been in my 50-odd years of existence.

They come up with plans and dreams and artist's impressions that will appear in your local paper – if the BBC website hasn't already driven that out of business – but never actually happen.

And the one or two that do happen won't be anything nearly like what you were told to expect.

We exist in a reality where fantasists become leaders of this country rather than leaders that can actually lead.

**Arse-licking**

With every artist's impression, every press release, every arse-licking speech, we sit and watch or read or listen and think: "Who the f\*\*k are they talking to?"

Because it isn't me.

And it isn't you.

They're just talking to themselves, rattling around in an existence they know they can't cope with.

Voters? Sod 'em.

Labour will deservedly walk the next election, not through a scintilla of merit but because the Tories threw it all away.

But that won't change the colours on those tennis courts down the road. The stark truth is, we have no leaders anymore, do we?

So where on earth do we get one?

## Builders put hole in Great Wall of China

PART of China's Great Wall has been damaged by construction workers, who used an excavator to dig a SHORTCUT through it.

Police said two people are suspected of trying to create a shortcut for their construction work.

The pair have been detained and the case is under investigation.

A man, 38, and a 55-year-old woman were working near the affected area – the 32nd Great Wall.

They dug a "big gap" by widening an existing cavity of the Great Wall so their excavator could pass through it.

Cops added that while the suspects wanted to reduce the distance they had to travel, they have also caused "irreversible damage to the integrity of the Ming Great Wall and to the safety of the cultural relics".

Located in Youyu county, the 32nd Great Wall is a section of the Ming Great Wall and is categorised as a historical and cultural site which is protected at the provincial level.

The Great Wall has been a Unesco world heritage site since 1987.

## Nude alley tosser held

A MAN was arrested after he got naked and started masturbating over a car.

Logan County Deputies and the Logan Police Department were sent to the Price Bottom area of West Virginia.

When they arrived, a witness said Christopher Cochran had been in the alley at Price Bottom for over an hour "naked and acting strange".

When officers found him, he had shorts on and showed signs of impairment. The witness told deputies Cochran had been naked and "acting in a sexual nature" towards the witness's vehicle, and that Cochran removed his pants and started wanking in the alley.

Cochran was arrested and faces multiple charges including obstructing, indecent exposure, and disorderly conduct.

He is being held in Southwestern Regional Jail.

# RANDY MUM HAD SEX WITH TWIN TEENS

PERVERT: Watts is accused of luring boys to her house

## Lads were pals of her son, cops say

A MUM was charged with indecency after police caught her naked with a missing 15-year-old boy — whose twin brother she is also accused of abusing.

Ashleigh Watts, 37, was initially nabbed when cops came to her Chesapeake, Virginia,

By BRAD CHADWICK  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

preying on the brothers over a year before she was caught.

Police probed the mother of two when a tip-off alleged a sexual relationship with the boys in February.

That same month, Watts' husband would come home at 2am to find his wife topless on their couch alongside one of the boys.

Watts was allegedly sexually manipulating the teenagers, with one of the boys confiding to another neighbour.

Authorities said that after the relationship was exposed, the teen ran away from home and was found hiding in Watts' bedroom three weeks later.

His brother said Watts would invite him over to smoke weed and give him her underwear.

He also claimed she would touch him inappropriately, despite his pleas for her to stop.

Watts now faces up to 30 years in prison if convicted.

KNICKERS: She gave the teen twins her undies

**Dear Bexie,**

I PLAY cricket every Sunday for a local club and rarely get injured for a 40-year-old.

But a few weeks ago I went for an ambitious catch and pulled a muscle in my back.

I went for a session with a sports physio and was greeted by a blonde with a cracking body.

As she turned me over my cock sprang out from under my loosely-fastened towel. Without hesitation she gripped my shaft and sucked me off until I shot my load.

Afterwards, she apologised and said it could cost her her job if I said anything.

She begged me not to tell anyone, but I told my team and they've all had appointments with her too with similar results.

Should I go back for another helping?

*ST, Manchester*

**Bexie says...**

**NOW you've blabbed you'll never get another full toss.**

**Dear Bexie,**

THE other day I was walking in the park and I noticed a young couple snogging.

It was early evening and I had nothing else to do so I hid behind a tree to watch.

I saw him ease his hands down her knickers and she parted her legs as he gave her a right good fingering.

Then she stood up, slipped her dress over her head and bent over against a tree.

The fella got his nose in and started slurping on her pussy, then he leaned against the tree while she dropped to her knees and sucked him off.

Finally, they got down on the grass and he gave her a good seeing-to. Needless to say I was wanking like a good 'un, until I noticed an old granny watching me and frigging herself off.

The sight of it has put me off sex.

Can you help?

*TB, Dorset*

**Bexie says...**

**BE pleased that seeing you pleasuring yourself has given someone else pleasure.**

**Dear Bexie,**

MY wife is absolutely insatiable when it comes to sex and she's never happier than when she's enjoying multiple orgasms.

She's also a right cracker, aged 25 with 34DD jugs and a lovely bum.

A couple of weeks ago, while I was shafting her from behind, she suddenly blurted out that she wanted to be f\*\*ked by three men at once.

Needless to say, I was taken aback as I thought I'd been keeping my end up pretty well and she's never complained about my efforts in bed.

But I was game for some fun, so I invited two fellas from work.

We soon had her stripped and it was a blur of tongues and fingers as we played with her.

One of them turned out to be extremely well-hung and

when I saw his 10-inch weapon easing in and out of my wife's juicy fanny, I feared the worst.

She was obviously really enjoying the pounding he was giving her but as I took her up the arse and she sucked off the third guy, I tried hard not to think about it.

Now, though, she's suggested that in future we just invite Mr Ten Inches round for some kinky action.

I fear it may only be a matter of time before she walks out on me for him and his donger.

What can I do?

*RG, email*

# Horny young office babe spiced up my sex life

**Dear Bexie,**

**AS a 49-year-old bloke, I've been happily married for 27 years – until my firm employed a new office junior.**

She's 18, stunningly fit, has a top personality and is very mature for her age.

After a couple of days showing her the ropes, I asked if she'd like to join me for lunch so we went to a bar and enjoyed a good chat.

I couldn't help but notice how attractive she was and as she leaned over to talk intimately with me I could see her amazing cleavage down her low-cut top.

On the way back to the office she asked if I was married and, for some bizarre reason, I said I was single.

**Luscious**

She said she was surprised because I was good-looking and had a nice, easygoing manner.

I was flattered and I offered to take her for a drink after work.

We went to a different bar in town and I was so wrapped up in her that I hardly noticed it was 10pm.

Anyway, it was a Friday and I have sometimes stayed out for a drink with my workmates, so I asked this luscious girl what she wanted to do next.

She said she'd like to go to a new club which had opened and as I was going to get a bollocking anyway, I reasoned that I might as well go for broke.

As I danced close to her I could feel a stirring in my pants and reckoned she felt it too.

When the club closed she asked me to take her home, explaining that her parents were away.

We jumped into a taxi and I felt her hand slip between my legs, which sent my dick into an even more excited state.

At her home, we stripped off and shagged with an energy and abandon I'd not experienced for years.

Now she's got a flat of her own and I'm getting a regular leg-over – but she wants me to move in with her.

How can I let her down gently and avoid the missus finding out?

*TC, Sussex*

**Dear Bexie,**

I'm a 19-year-old student and I am sleeping with a much older woman.

I was out with my mates on the town a few months ago and I shared a cab home with this fit older woman.

She grabbed my hand and rubbed it all over her shaven slot and I could feel my dick getting hard in my jeans.

Needless to say, I ended up back at hers and had the best night of sex ever.

We have slept together six or seven times since. But I've now found out she's 50, married and a GRANNY.

Is it right to carry this on?

*FT, Carlisle*

**Bexie says...**

**KEEP your dick in your pants and she'll surely get the message.**

**Kelly says...**

**IF you enjoy the sex, don't worry about it!**

## Pool player's 10-inch cue proved a winner

**Dear Bexie,**

I'm a member of the female pool team at my local pub and we practice with its men's team every Tuesday night.

The other week one of the guys offered to play with me. The other girls all fancy him, but I'm married and I'd never thought about him in a sexual way.

We had a couple of games and I was bending over the table when he came over and said he could help me with my cue action.

As he did so, I could clearly feel his massive penis pressing into my arse!

At the end of the night he was driving me home when he pulled in a layby "for a chat".

**Licking**

We talked and then he kissed me on the lips and from then on we were like wild animals.

In seconds we were starkers – and his cock was at least 10 inches.

He went down on me and gave me a good licking, and then I sucked him off before he got me on all fours and did me doggy-style.

I soon came but he was rampant and I did something I've never done before – anal sex.

And I was surprised how good it felt to have a hard knob up there.

But I feel bad about cheating on my hubby. What do you think?

*PP, Essex*

**Dear Bexie,**

I'm a lusty 21-year-old and a bit of a ladies' man.

Last week, while doing a few odd jobs around my flat, I went to the local DIY store.

I couldn't find the wood-filler I was after and when I went to the counter to ask, there was a tasty brunette who looked good even in overalls.

I told her what I wanted and she offered to show me where it was.

As she walked ahead of me in the aisles I looked at her wiggling arse and immediately got a hard-on.

She led me towards a storeroom and told me: "I've been looking for some filler, too."

She shut the door behind us and whipped open her overalls to reveal a bra-less pair of 34Ds – at which I pulled out my own hole-filler.

She took one look and clasped her lips round the end, greedily sucking me as she grasped my balls in her hands.

As she lifted one leg on to a shelf I rammed home my length of timber for a five-minute quickie.

I asked her later if she'd go out with me, but she said no.

What's it all about?

*RL, Hull*

**Bexie says...**

**BE satisfied with your DIY efforts.**

**L**USCIOUS Lexi Lowe has one demand from a prospective sex partner: learn how to make her a decent cup of tea!

The 32E babe from Newport says she's fed up of having rubbish brews after a hot shagging session.

So now any bloke who wants to slip her a length needs to know how to make a good cuppa.

Lexi said: "After a few hours of rampant sex I need a good brew and the least you can do if I've been swallowing your spunk is to make me a nice cup of tea."

"None of your weak nonsense, a good strong brew."

"If you get it right you might be invited back for seconds."

"And I might even let you do me up the arse!"

Stacey  
 ROBYN

**B**USTY Stacey Robyn has favourite sex positions – but she's also into kinky, taboo ANAL bum fun.

The Barnet-born beauty says doggy style tops her list, with missionary coming in a close second.

The stunna said: "I'm really into doing it doggy style. I have a big bum, so I would hope that the view is nice for the bloke!"

"It also allows deeper penetration, which is really pleasurable.

"It might sound boring but I'm also a fan of missionary, as I've had some of the best finishes that way!"

Stacey, who posed in kinky lingerie and flaunted her 32E norks for this photo shoot, is also a lover of naughty bum fun.

She added: "It really hits the spot for me – every time!"
